Who we are: The Carpathia Kickers soccer organization was established in 1952. We are a club that prides ourselves on the fact that we maintain high level soccer and continue to develop players of high caliber. Our coaching staff will dedicate their time, knowledge and skills to develop players, enhance their technical and tactical skills, and put great emphasis on long term player growth and team development. We are proud at how committed our coaching staff is not only to the game of soccer but to the development of our players. It is a heritage that we are proud to continue. Your player fees will include membership to the Carpathia Club where you will have access to member only benefits. Why are we different than the rest? We are not owned, but rather all members of the Kickers! Your membership only supports the game of soccer and associated costs to play within a club that values development of the player, the spirit of competition, and a life-time of memories.

Coaches: All of Carpathia coaches must be licensed and have played the game of soccer. Upon the selection process your team coach will provide you with more information about their credentials, style of coaching and team expectations. Our coaches have been asked to run their teams in a disciplined fashion. We are proud of this requirement, which includes keeping foul play to a minimum. Players will also be expected to conduct themselves in a disciplined manner at all times. Whether your child is at practice or a game, he/she will be expected to give his/her full attention to the coach and to team play. He/she will be expected to participate in every practice drill and be attentive during a game even when on the sidelines.

League Affiliation: The teams will affiliate with MYSL (Michigan Youth Soccer League) or MSPSP (Michigan State Premier Soccer Program) and MRL (Michigan Regional League)
